A detailed topographic map of a residential area. The map features contour lines with elevation values ranging from 200.1 to 213.9. A prominent orange boundary outlines a specific area, likely a project site or a specific lot. The area within the boundary is densely packed with green-colored building footprints and blue lines representing streets or utility networks. A north arrow is located in the upper right quadrant of the map, pointing towards the top right. The map also shows various other features such as roads, bridges, and smaller structures scattered throughout the landscape.
